

REMARKS

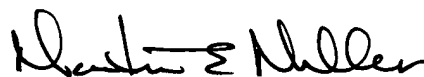

In the outstanding office action, claims 1-3 are rejected as being anticipated by Korean Patent Application 2001-84840. Claims 4-17 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form to include all of the limitations of the base claim.

Claims 1, 3, 5, 9, 12 and 13 have been amended. Claims 2 and 4 have been cancelled. The pending claims in this application are claims 1, 3, 5-17, with claim 1 being independent. In view of the amended claims and the following comment, reconsideration and allowance are requested.

Independent claim 1 has been amended to include all of the limitations of claim 4. Claims 5, 9, 12, and 13 have been amended to depend upon claim 1.

In view of these amendments and the above comment, claims 1, 3, 5-17 are submitted as being in condition for allowance. Reconsideration and allowance of the claims are requested.

Respectfully submitted,

Martin E. Miller
Reg. No.: 56, 022
